

LUPA'S WINE

Lupa owners and founders, Guy Cluver and Chris Black, made a special trip to Paarl to meet with their friends, Charles and Anthony, the award-winning wine and cheese makers from Fairview Farm who have been recognised internationally for their innovation and proactive approach to the wine industry. After a memorable and scenic tour of the vineyards, they sat down with the expert vintners who helped them hand select two premium wines that they knew their guests at Lupa would enjoy. The Lupa Merlot and the Lupa Sauvignon Blanc are two well-structured wines that are delicious on their own or with our food:

Quartino 60 | Bottle 180

Quartino 65 | Bottle 195

LUPA MERLOT

The grapes are grown in Stellenbosch vineyards where the cool Atlantic breeze and Koffieklip soils create a plush and plummy Merlot, finely oaked for a spicy edge. It has aromas of fresh mulberries and chocolate, and a medium bodied palate with firm tannins, fresh red fruit flavours, and a harmonious finish.

LUPA SAUVIGNON BLANC

The grapes are grown in Darling vineyards with a cool maritime climate and the red oakleaf soils contributing to the wine's fresh minerality. It is intensely aromatic with granadilla and pineapple aromas on the nose. Fresh citrus flavours give way to lime undertones which contribute to the wine's minerality and lingering crisp finish.

VILLIERA | STELLENBOSCH

Merlot was initially planted as a blending partner for cabernet sauvignon. The softer style was designed to round off the cabernet sauvignon. When the market indicated a liking for softer red wine, merlot was included in our range as a stand-alone variety. The colour of the wine is brilliant red. The aroma shows hints of wood spice with attractive red berry fruit.
